## INTRODUCTION & THE PROGRAM

# TRANS-SIBERIAN ADVENTURE

A string of steel over 9,000 kilometres long connects Moscow with the furthest reaches of the Asian continent. Embark on a journey along the world's longest railway – The Trans-Siberian. It passes from the undulating hills of the western Russia through the Ural Mountains which separate Europe from Asia into the vast boreal forests of Siberia. This once-in-a-lifetime journey passes through seven time zones and recalls the history of the building of a vast nation.

---

### DAY 3 | SEP 7 | MOSCOW (B, L, D)

Explore Moscow with a full-day city sightseeing tour that features some of the most remarkable and notable sights of this lively, bustling city. In the morning, the tour focuses on the rich history of Moscow, with visits to such significant sites such as Vorobyovy Gory, or Sparrow Hills, affording you an incredible panorama of the city; Poklonnaya Hill, a place of great importance in the city's military history; and the Cathedral of Christ the Saviour, the world's tallest Orthodox Christian church. You will then proceed to the Red Square – walk along this famous area with stops at the stunning Saint Basil's Cathedral, and the GUM department store, formerly the Soviet State Department Store. After a busy morning, enjoy lunch at a local restaurant.

In the afternoon, the tour shifts to an in-depth exploration of the Moscow transit system. You'll discover the "underground palace" which is the Moscow Metro; learn fascinating facts about its history, and visit some of its beautiful, luxurious stations.

After a full day, enjoy dinner at the hotel, accompanied with a presentation from guides of your train.

---

### DAY 4 | SEP 8 | MOSCOW | BOARD THE TSAR'S GOLD (B, L, D)

Enjoy an informative tour of Moscow in the morning, including visits to the imposing Kremlin grounds and Cathedral Square, with magnificent cathedrals dating back to tsarist times. Cultural Heritage site, with its panoramic view over the Volga River, Europe's longest river. On this tour, you'll learn about the tumultuous history between the Tatars, the Cossacks, and the Russians. Your train resumes its journey eastwards in the evening.

---

**DAY 6 | SEP 10 | YEKATERINBURG** *(B, L, D)*

Back on board, you continue your train journey through the vast steppes of western Siberia.

**DAY 7 | SEP 11 | NOVOSIBIRSK** *(B, L, D)*

Welcome to Novosibirsk, the third-most populous city in Russia, and the heart of Siberia; here, you are greeted with bread and salt, in the traditional Russian fashion of welcome. During a short city tour, you will experience the most Soviet of all cities during your

Today your train reaches Irkutsk, which was the capital of Eastern Siberia in tsarist times. Sights on this tour include picturesque Siberian wooden houses, and a memorial to Tsar Alexander III (the initiator of the Tran-Siberian Railway). **DAY 10 | SEP 14 | LAKE BAIKAL** (B, L, D)

Experience picturesque Listvyanka, a Siberian village on the shores of Lake Baikal, the largest reservoir of non-frozen freshwater in the world. A bus takes you from Irkutsk to the village; here, a boat brings you across the lake's deep waters to Port Baikal, where your private train is waiting. Travel alongside Lake Baikal, on the original route of the Trans-Siberian Railway. Your train halts for several hours at a particularly scenic spot for you to truly enjoy this natural wonder. Dinner is served as a picnic on the shores of Lake Baikal, weather permitting.
